

# M. Raihan Rafiiful Allaam

Hello! my name is M. Raihan Rafiiful Allaam, you can call me Raihan or by my nickname on social media, Alamehan. I love to learn new things, explore and work in the field of visual design, this includes digital illustrations, logo design, and of course UX & UI design. I also have experience in the field of programming, especially front-end development, and have an interest in writing.
